

# Bus & Bus Stop Policies

# State Law

- The state law authorizes the proper discipline of students going to and returning from school.
- Any discipline violations that occur from the time you leave your home in the AM to the time you return home are considered to have happened on school board property and the school may discipline.

# Carry-On Items

- Back Packs, etc. may not take the seat required for another person.

# Ride Your Bus

- You are permitted to ride your bus and only your bus.
- You may only board and exit the bus at your assigned stop.
- If your parent gives you a note to ride a different bus you must bring it to the office **in the morning** to receive a special bus pass. Do NOT try to board the bus without the proper office pass. You will not be allowed to do this.

Review page 6 in your R&R book for additional rules regarding bus safety.

- c. Refuse to move. This is your seat.

- b. Throw trash in the yard.

# Before making a decision ask

- If I get in trouble and I'm suspended from the bus will my parents be able to drive me to school and pick me up from school for at least a week? Will they have to be late or miss work? How will this impact my siblings?

# Morning Arrival For Orchestra & Band Students...

- Orchestra/Band students with instruments may first go to the orchestra/band rooms and put away their instruments. They should do so quickly and proceed to homeroom.
- Once we begin after school activities you will need to listen to announcements for where to sign up for activities.

# More on Morning Arrival

- Buses dismiss at 7:50AM
- Enter through the bus lobby doors
- Keep moving, we don't stand around socializing
- Report directly to **your** grade level hall
- If you need to go to the office or another location you need a pass

# Afternoon Dismissal By Waves

- Afternoon announcements begin at 2:55
- All students must adhere to their dismissal assignment.
- Parent pick-up will be dismissed then buses will be dismissed by waves.
- Walkers and bike riders will be dismissed **AFTER** buses have left the bus lot.
- Those students picking up instruments and cell phones from the office need to move quickly. There is enough time to catch your bus, but no time for you to move slowly.

# Parent Pick-Up Procedures

- Parent pick-up students **MUST** report to the front circle outside of the building.
- These students must remain outside to be picked up parents and not return back into the building.
- Students should actively look for their parent and wait until parent pulls fully into the circle to be picked-up.

After school two girls get off the bus and get into a fight. Another student records the fight and puts it on youtube.

Did you know...

All students will be disciplined. Here's why –

- a. Fighting is against school policies. Until you arrive home (entering your front door) you are considered on school property.
- b. Recording the fight and posting it to youtube – or sending it in any other matter – can be considered a disruption to the learning environment. Recording an incident can also be viewed as encouraging or instigating an incident such as a fight. Don't do it.

# Bus

Riding the bus is a privilege.

Your safety and the safety of others  
depends on YOU!

Inappropriate behavior on the bus will  
result in disciplinary action.
